RON McLEAN

Ron,

Thanks a lot for the invitation to the link. - I may take you up on it some day. You're really gone a long way in school and with the Romin's, Ron, and in my opinion you'll go a heck of a lot farther. Keep your chin up and never stop swinging.

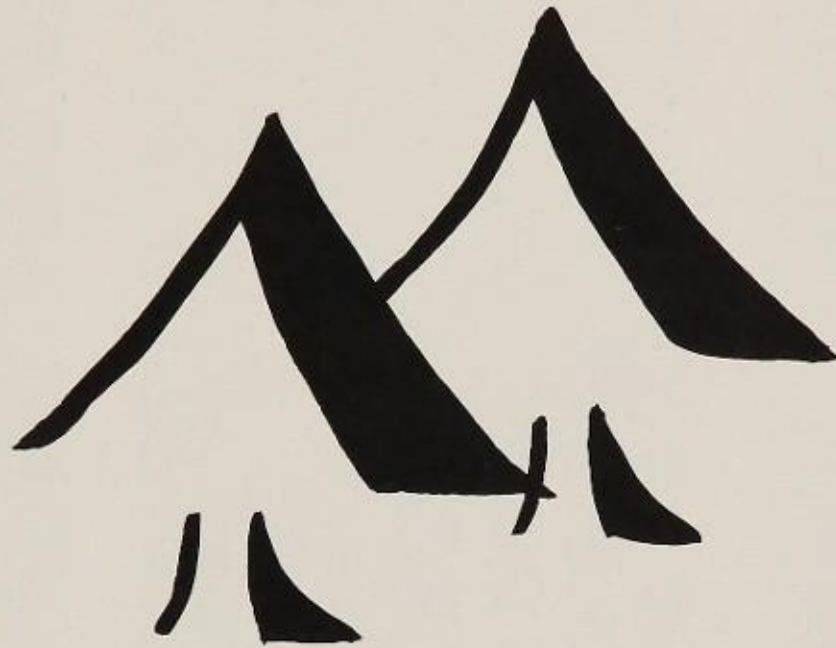

Lot of Luck -

Your Friend,

Bruce

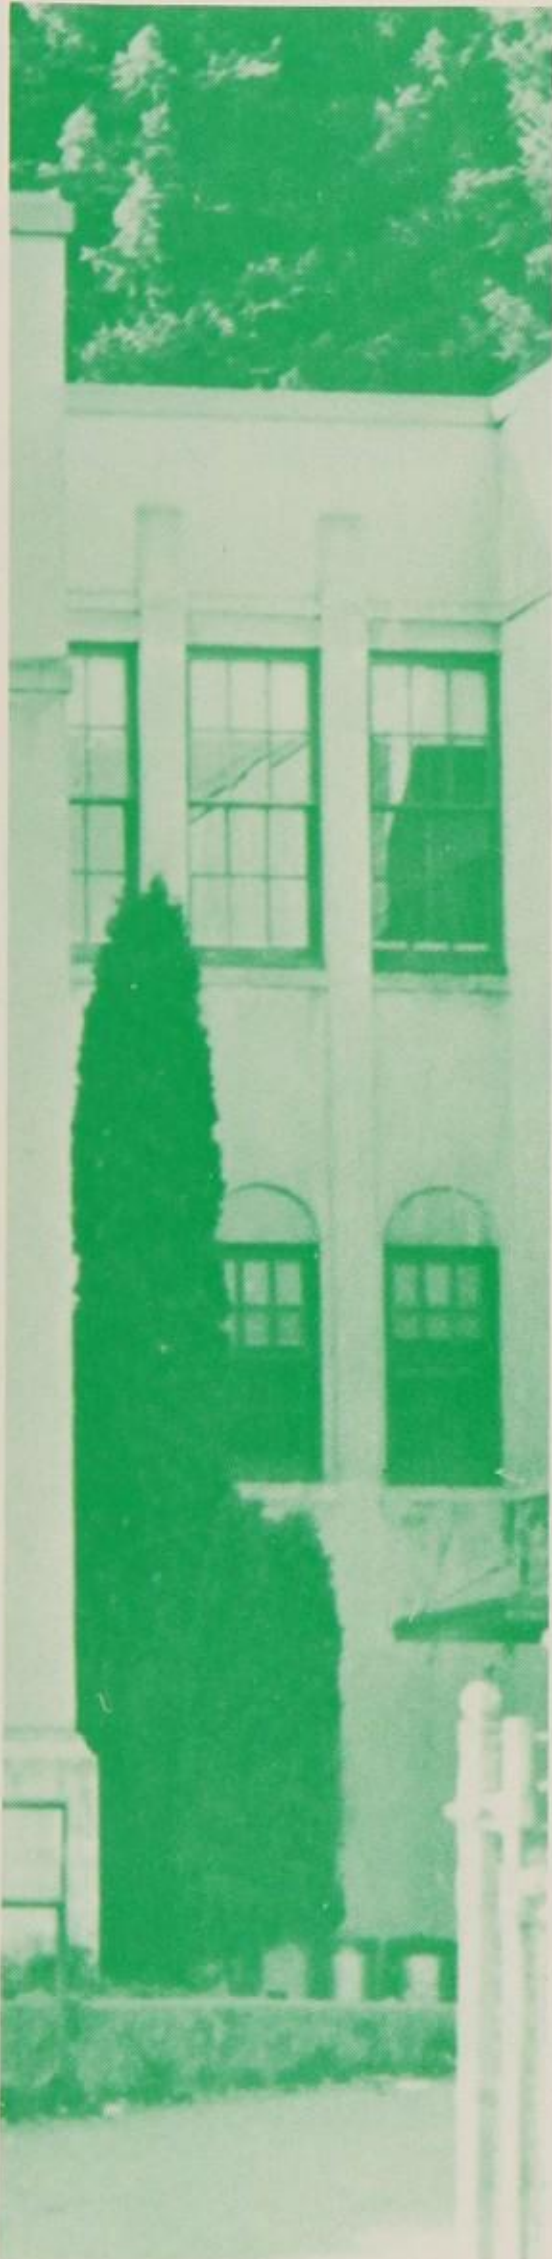

Well Ron
the year almost
over and we've had
fun in Study Hall,
hope. I am fun in college
and good luck. Get your feet
off mine, it's gone to sleep.

Foreword

Too often when we open our senior yearbook, we tend to look back on the events of the year. For 1963, let us take a new outlook:

The Students of Today — Building the Future Through —

Education

Of course, education is the essential ingredient of a successful life. This is not merely booklearning. Many successful men were self-educated. To build a bright future, we need both kinds of education, and Irene S. Reed teachers offer us both.

Experience

No one can give someone experience, but there are vast opportunities for obtaining experience in our high school. The variety of classes, activities, and sports present chances to develop a well-rounded personality and to gain experience.

Enthusiasm

The enthusiasm we learn in high school will set us in good stead throughout our lives. Who can lead better than one who has education, experience, and enthusiasm? Yes, we need enthusiasm toward the future if we hope to make it better than today.

DEDICATION

To Mr. P. G. Hermes, the students of Irene S. Reed High School dedicate this 1963 SAGHALIE.

You have served in the highest position at I.S.R. since 1945. In that time you have never failed the students. Although your job sometimes requires much of you, your service to the school has been untiring. For your consideration and effort, all the students of Irene S. Reed join in thanking you.

Study Hall

Study hall offers students a quiet place to do homework under Mr. Wilson's watchful eye.

A foreign language is necessary in the modern world. Mrs. Rogers teaches classes in both French and German.

Mass confusion results when classes are changing.

The teachers get a rest too while the Boys' Club listens to speakers for the National Guard.

It seems those Juniors are studying for once.

Did You Ever . . .

watch teachers at a baseball game?

When the Saghalie Staff appeared with a camera, there were some strange reactions. Some members of the Junior High faculty ignored us while others really hammed it up (no names please).

That's it. Keep your eye on the ball.

Don't laugh. We're losing.

One must keep up a brave front.

"Don't argue with me, Shorty."

It's not my fault we lost.

Many People Keep Our

Mrs. Jovita Cole and Mrs. Phyllis Brown survey a few of their many pots and pans.

Mrs. Clara Huntley is elected to wash.

COOKS

The cooks of Irene S. Reed have quite a task to perform. Each day they must provide nourishing and appetizing meals for the hungry students. We would like to congratulate them for a job well done.

School on the Go

The hard-working janitress, Mrs. Gladys Helgren.

Angle Building janitor, Mr. Jenson.

The chief janitor and the happiest smile, Mr. Henry Helgren.

The students' friend and Mr. Hermes' top secretary, Mrs. Billie Godwin.

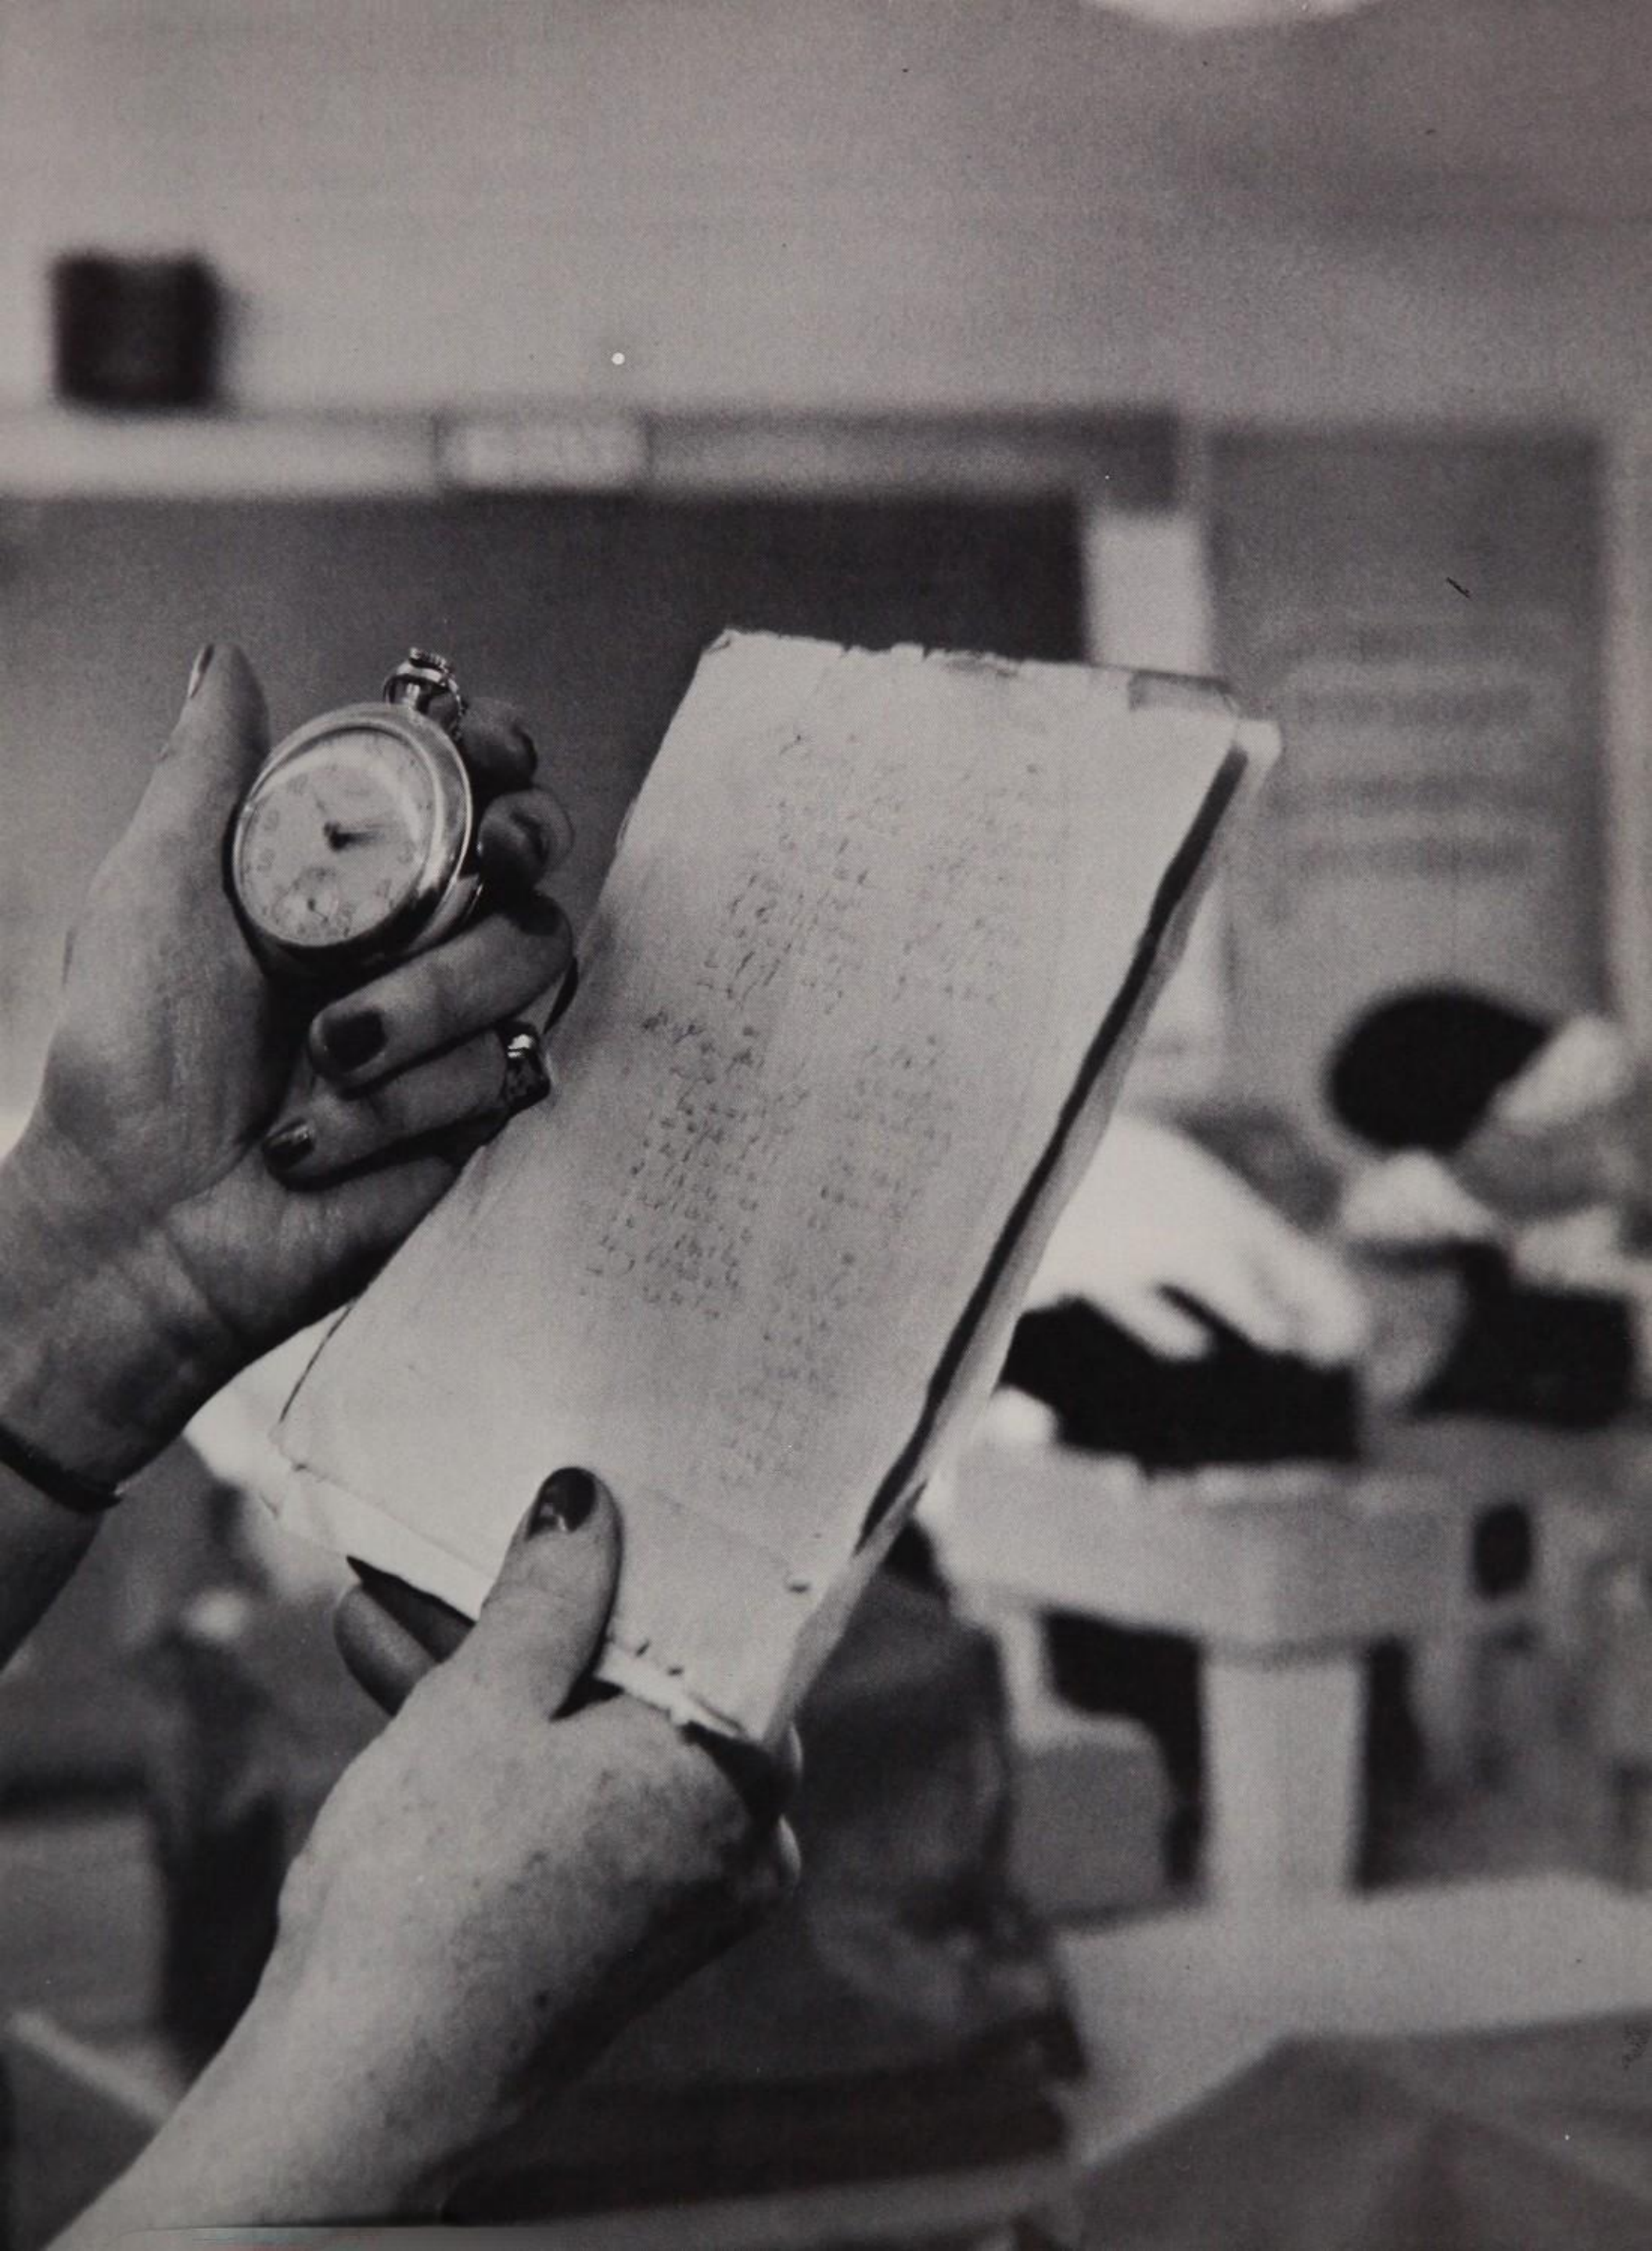

The students owe a daily "thanks" to the many excellent bus drivers who transport the scholars to and from school.

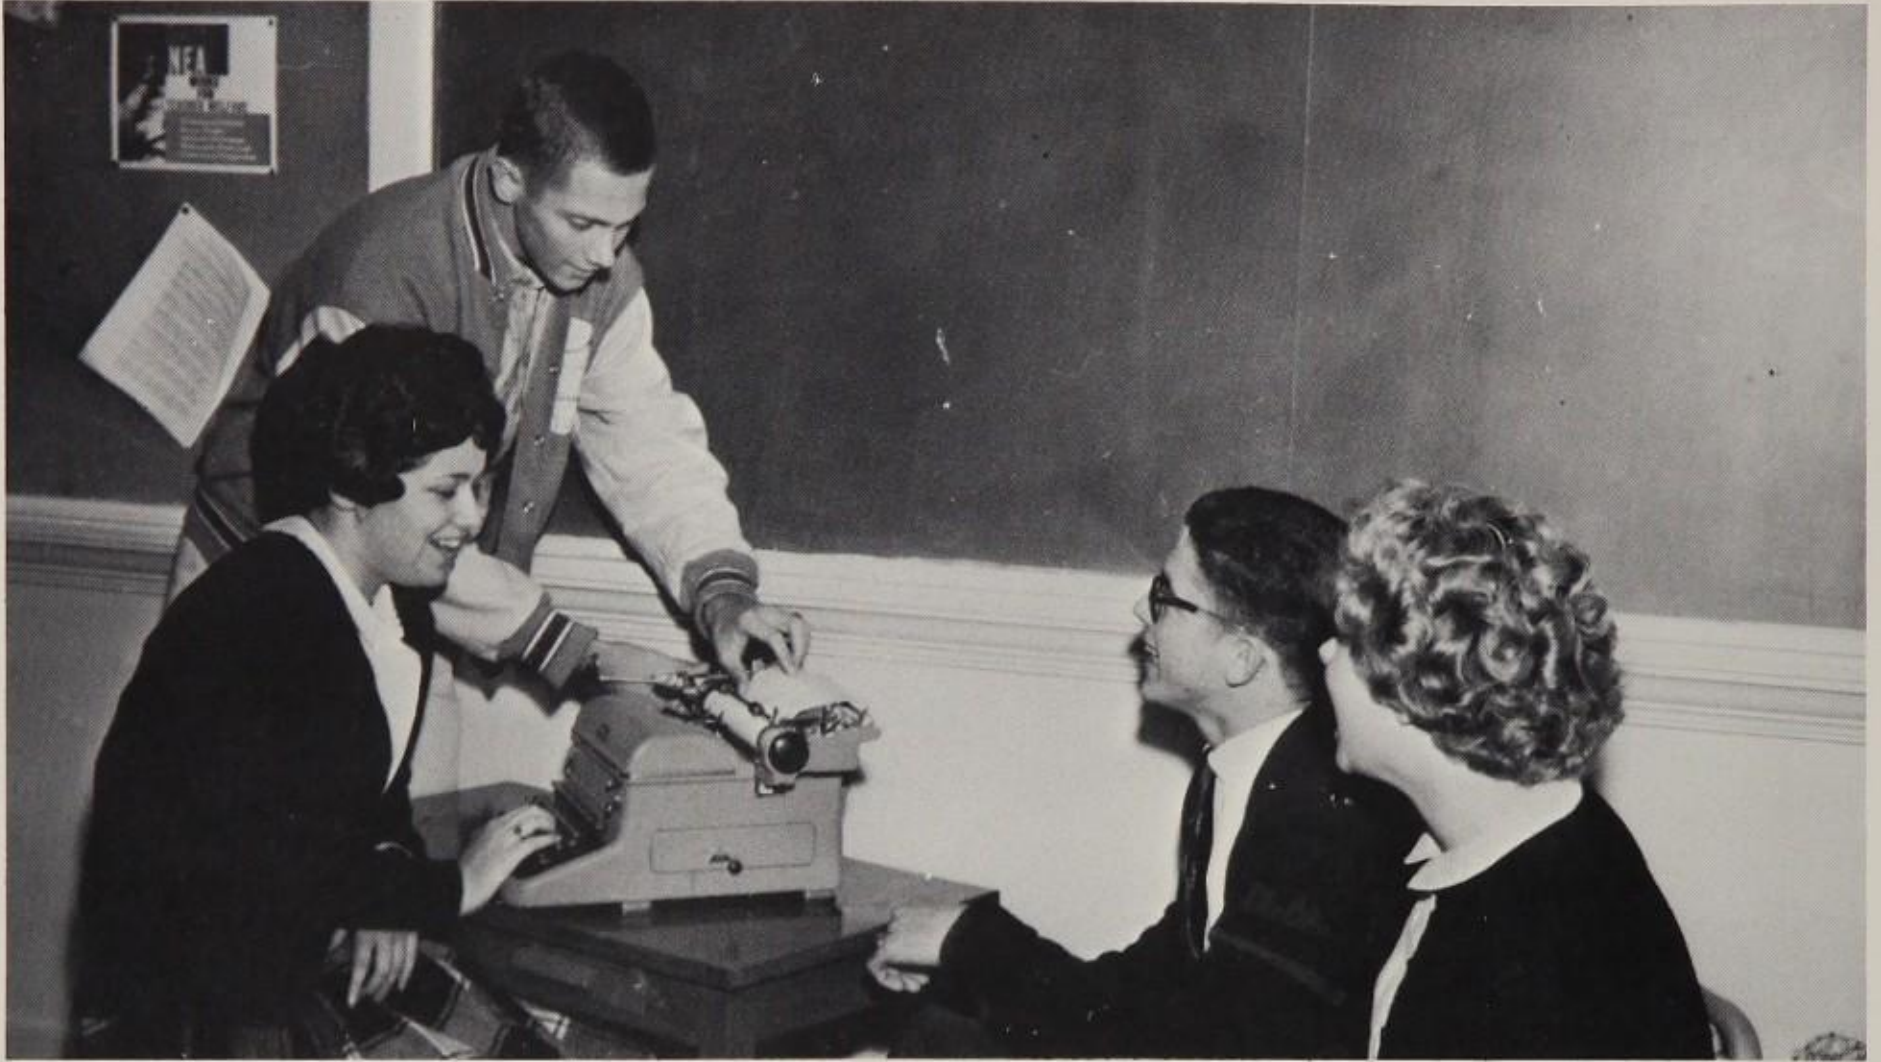

EDUCATION

CLASSES

A Glance Back — a Long Look Ahead

Senior Class Officers: President, Ken Droscher; Vice-President, Bruce Gardner; Secretary, Judy Eby; Board of Control, Lynne Stevens.

Being a member of the graduating Senior class is something students work many years for. The final year of high school is filled with thrilling and memorable experiences capped by graduation night. In preparation for commencement, students select invitations, choose caps and gowns, and vote on four commencement speakers. On a personal level, seniors exchange senior pictures and cards.

The list of activities of the seniors would fill a large book. Most club presidents are seniors including ASB president and Girls' Club and Boys' Club presidents. Seniors also plan and hold the Senior Ball, the Senior Play, the Senior Prom and various other parties connected with graduating. It is also the job of seniors to choose a class motto and class colors.

As the oldest students, seniors must set the examples for underclassmen. This is not an easy job, but most seniors take it seriously and show it by being fair, by being good sportsmen, and by following school rules.

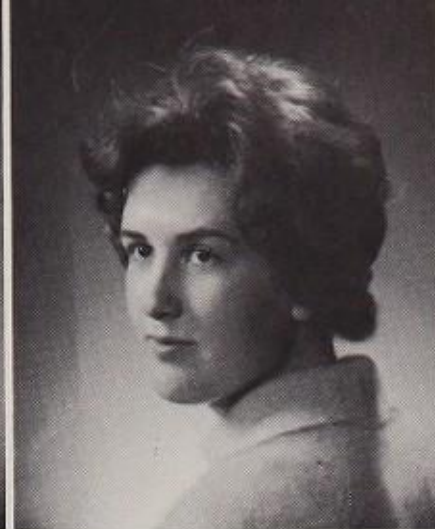

In many ways the senior year is the most difficult, but it is definitely the most worthwhile. With a short glance back and a long look ahead, Irene S. Reed graduates set about to put "Education, Experience, and Enthusiasm" to work for the world.

O teacher, O teacher, and how are you faring?
 I tell you, I warn you, of erasers be sparing.
 Your students don't look like they know what you do.
 A camera — a picture — turns them from you.

"Tut, tut!" says the teacher, "Hush!"
 Have you no work to do?"
 "Oh, yes," says the student, "but
 I like to look at you."

With paste I am sparing,
 With glue I am free.
 The residue of mucilage
 Can now be found on me.

Tom:
 Of Shakespeare I know nothing,
 And Euclid is a bore.
 But I have girls, and I have fun,
 And I want nothing more.

We work and slave one hour a day
 To serve you; all for what?
 We get no benefit, no pay;
 You'd say we both were nuts
 Except we get a recompense —
 Each day a joke or two
 Will come our way, and then we sense
 The joy of serving you.

We planned the gala ball,
 Egyptian Paradise;
 We were the ones who made
 The gym to look so nice.

We hope you liked the ball,
(We liked it too.)
For its success, we now
Give thanks to you.

Ken:
With dauntless courage do I walk
On three legs, not on two.
But could you give one leg to me,
I'd give these two to you.

The leaders of the senior class
Must have their lighter moods.
Continual solemnity
Good leadership precludes.

We of the German band
Hope you enjoy our songs.
Our music of a land
across the seas, is planned
To chase your cares along.
We are at your command,
We play your demand;
With you our tunes belong.

We'll have money (seems like I always start with "well") we've just about made it haven't we? I can hardly believe 12 years have gone by since I started school.

Dan Harvey
A.S.B. President

Chris Bunnell, Reta Carte, Elaine Zehe, Rene Fain, Sue Minegishi, Gail Downing, Lynne Stevens, Leanne Armstrong.

The Board of Control headed by Dan Harvey, president of the student body, decided to have a football assembly at the end of football season, as this would make the assembly at the end of the year shorter.

Helping Dan this year were Toby Villines, vice president, and Leanne Armstrong, secretary.

The Board of Control consists of representatives from each class and all the school-sponsored clubs.

The duties of the president, Dan Harvey, were to preside at all meetings of the student body and at the Board of Control Meetings.

The vice president took charge of all meetings of the student body in the absence of the president.

*Leanne kept a record of all meetings of the student body and the Board of Control.

Mrs. Rogers, adviser, devotes much time to Pep Club and its activities.

Cheering our Highclimbers to victory with pep and spirit is the active Pep Club. As the nucleus of our cheering fans, the Pep Club not only arouses spirit at games, but promotes pre-game spirit with the pep posters in the halls. Each week a different committee from the club is responsible for these posters. Providing humorous skits for pep assemblies is another activity of the Pep Club. Mrs. Sheila Rogers is the club's adviser.

Did you ever wonder what goes on in a Pep Club executive board meeting?

Small 'Climber Staff

How's the news? — Amusing?

Fascinating?

Surprising?

Shouts of "typist!" "deadline Thursday, hurry!" and "headlines due today!" are familiar sounds in the journalism room where the school's biweekly publication, the *Highclimber*, is produced by this year's journalism class of seventeen students, under the direction of Mr. Paul Gillie.

Jerry Parks as editor-in-chief during the first semester, chose the various page editors. Marty McCallum, although he was not a member of the journalism class, was photographer for the *Highclimber*. He was greatly assisted by Dean's Studio.

The *Highclimber* once consisted of a column in the *Journal*, but it has now become a four-page newspaper, providing information on school activities, keeping us up to date on the latest events, and expressing the opinions of the student body.

HONOR SOCIETY

The Margaret Baldwin Chapter of the national Honor Society has the same high standards of scholarship, leadership, character, and service as the organization as a whole. Honor Society attempts to organize qualified students into a serious service group. Miss Reta Loudermilk is the adviser assisted by President Jim Orr.

The Honor Society sells programs at home football games, sponsors a dance, and holds a beautiful spring installation.

THESPIANS

In Irene S. Reed there is a club to interest everyone. Thespians is an honorary society to promote dramatic activities. Those students who participate in plays and related activities belong. The officers for this year are: President, Loren Gee; Vice President, Martin Felix; Secretary, Fran Demmon; and Board of Control, Rene Fain.

Each year the Thespian Club elects an outstanding Thespian of the year. Last year two were chosen. Would you like to make this choice for the best of these many talented ones?

Activity, and Understanding

F.T.A.

The prospective teachers in our school are guided on their way this year by an active F.T.A. Informative guest speakers and teacher panels outlining the teaching career highlight the meetings each month.

Several members attend F.T.A. conferences throughout the year. Returning from these conferences with inspiration and new ideas for their club, the members of Future Teachers of America work diligently under their president, Mike McArthur, and adviser, Mr. Nelson.

LATIN CLUB

"Latina semper vivat," meaning, "May Latin always live," is the motto of the Latin Club, which was organized in November for the first time in several years under the direction of Mrs. Charlotte Hilligoss. The purpose of the club is to stimulate interest in classical languages and to encourage correlation of Latin to all school subjects.

Why Boys' Club?—

To give the boys at least one organization where they know they are important and needed members, one they know is worthwhile and deserves all the hard work they put into it. Boys' Club is a useful one in that many of its projects help the community. The

Thanksgiving Basket Drive and annual rivalry with the Girls' Club on the T.B. Drive are good examples of this. Some of the other activities, including the Mother-son Banquet, assembly program, informal dance, and Father-son Mixer help to make the Boys' Club year a very successful and rewarding one.

Mr. Dombroski is the Boys' Club adviser.

Executive Board (from left): Donahoe, LaMont, Gee, Waters, Halbert, LeDrew, Orr.

Willing Workers Make a Successful Boys' Club

Entertainment for Boys' Club assemblies during '62-'63 included the Romins.

Because of the importance of the Boys' Club in the school, President Jim LaMont confers with A.S.B. president, Dan Harvey.

Selling large chocolate bars to the student body was a money-making scheme of the boys.

The Boys' Club serves the community through the Thanksgiving Basket Drive.

The girls' Club is for all girls.

Not only are all girls automatically members, but the variety of activities sponsored by the club would satisfy a number of tastes. The year begins with a beautiful installation of elected officers. During the busy year, members are active with regular meetings,

committee work, and special projects. As a service, Girls' Club sponsors a Christmas toy drive, a school Christmas tree and music at noon, and the T.B. Drive. The Father-daughter banquet, the spring Mother's Tea, and the gala Tolo round out a year full of fun and experience for Girls' Club members.

Girls' Club Members Work for School and Community

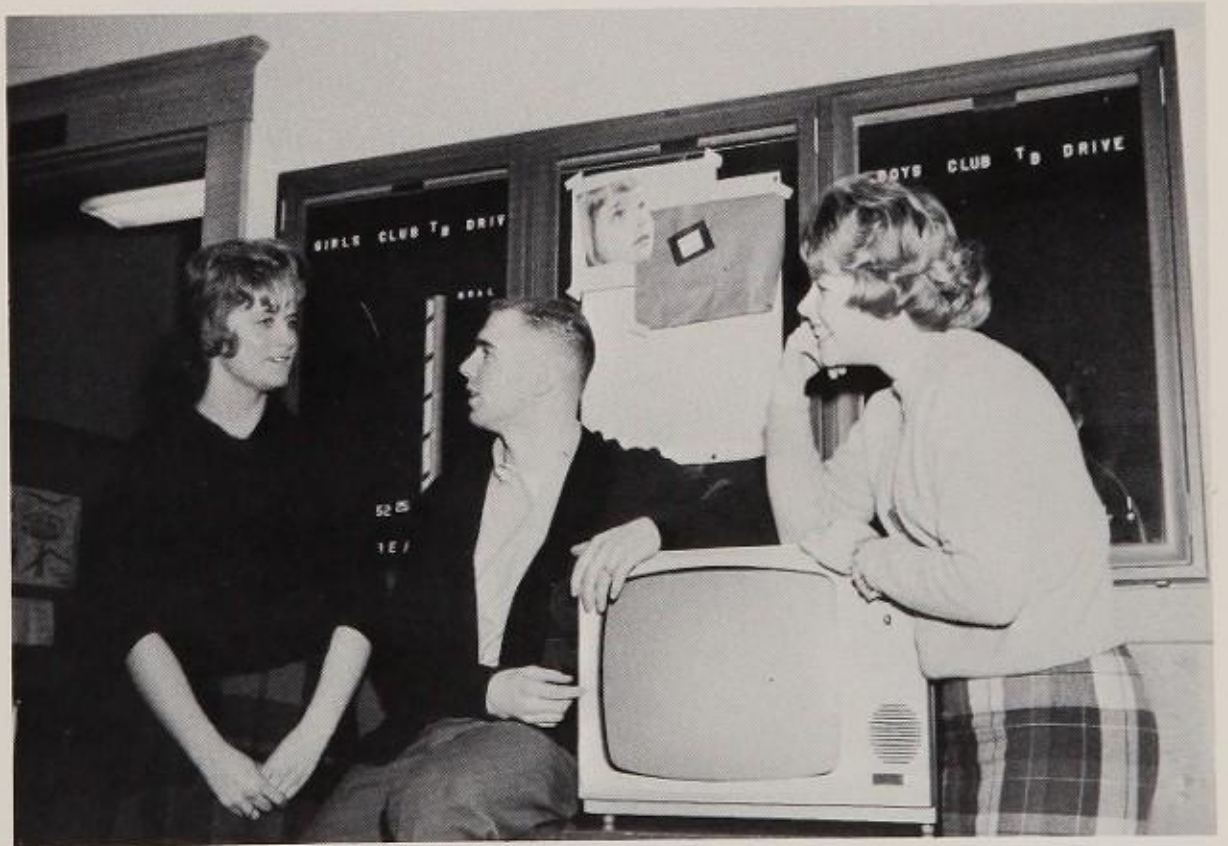

Girls' Club is responsible for Homecoming festivities, including the dance after the game.

A bit of seasonal cheer for good old I.S.R. courtesy of the Girls' Club.

Girls' Club meetings always include some form of entertainment.

Annually the Girls' Club strives to make life more pleasant for others through both a Christmas project and the T.B. Drive.

The T.B. Drive is a raffle. The Girls' and Boys' Clubs compete for the most ticket sales. The award for the winning club is a talent assembly.

LIBRARIANS

Where would we be without those smiling gals who help us find the right book for that report or definition? The librarians have the duty of aiding students and of helping Mrs. Rakowicz with the hundreds of books in the school library. Besides this, they hold regular meetings of the active library club.

Certainly we owe many "thanks" to these bright students and their able adviser.

ASSEMBLIES COMMITTEE

The assemblies committee is one of the smallest and one of the busiest organizations in the school.

Imagine planning the fabulous assemblies we enjoy so much.

There are many types of committees around our high school, but the assemblies committee under Mr. Tarrach is one of the most important.

Football is probably the most popular school sport. The nip of Fall, the excitement of the return to school stimulate a special interest in this one activity. Whether we win or lose, students always look back upon those wild, loud, thrilling football games as a favorite part of their high school career.

Highclimber wrestlers practice a new hold for their coming wrestling events.

Turning out in the Lincoln gym can prove to be quite an experience. Just ask any of these wrestlers.

It's hard to tell who is in this predicament, but you can be sure that he is trying desperately to think of a way to get out of it.

Skill Revealed on Courts and Greens

Coach Josephson began the season with only three lettermen, Randi Tuson, Mike Carte, and Glenn Hubbard.

WRESTLING

Highclimber fans cheered from the housetops as the wrestling team came through with the best season in its history. The 'climber matmen lost only three matches out of thirteen. To climax things, senior Bruce Crawford attended the state meet and placed sixth.

A big thanks goes to the worthy coach, Mr. Weir.

Golf, one of the late Spring sports, is coached by Mr. Tuson. He started this season with four lettermen.

TENNIS

The tennis team had a new coach this year. Mr. Josephson bravely took on the job of training a large batch of new sophomores and handling juniors and seniors.

Tennis is one of those sports which begins with the first robin. It offers a chance to play in the sun to girls as well as boys.

GOLF

Golf has been gaining more and more public interest lately, and the increase has been reflected in a large turnout for Mr. Tuson's golf team.

The team competes with other schools. The coach must select six who make up a school team and keep the rest from wrapping any clubs around a tree in the heat of practice.

Freshman Class Looks Ahead to '66

The freshman year is at once the most exciting and rewarding year of school. It is the end of junior high and childhood. It is the beginning of high school and the life of a young adult. This year's freshman embarks on a high school career in a new and better building. The graduating seniors of I.S.R. wish you the best in high school education and activities.

GOOD LUCK

Mr. Clayton, basketball coach at the Junior High.

Mr. Brickert, track coach at the Junior High.

This is a secret revelation of the feminine gossips, talking hurriedly before the bell rings again.

The 50-mile hike between classes comes again.

“We Salute Our Junior High School

“Coach” is a common nickname for Mr. Clayton for he coaches the fall and winter sports of Shelton Junior High School. As football coach, he leads the Blazers through a rough season of daytime football games. The business is a difficult one because Junior High spirit may lag after only one loss.

As soon as Coach Clayton is relieved of the duty of

football, he assumes the work of a basketball coach. The exciting games attract not only Junior High students and teachers but also parents and high school students.

This teacher and coach takes on a tough job every year, but he is always cheerful and rates the everlasting respect of the kids.

ROW 1: Swisher, Samples, Downing, Archer, Nelson, Barrom, Schumacher, Kieburzt. ROW 2: M. Johnson, Wood, Cox, Looney, B. Johnson, B. Masteller, Gunter, Clayton, Mr. Clayton. ROW 3: Mr. Brickert, K. Masteller, Erickson, Stevens, Duckham, Hildebrandt, Armstrong, Purvis, Carper.

ROW 4: Martig, Daugherty, Whitener, DeMiero, Hurst, McAferty, Barnett, Lutz, Schreiber, Grimes, Rodgers. ROW 4: Sjolholm, Renecker, Cole, Beese, Olsen, LeBresh, Mitchell, Rice, Premo.

M. Johnson, Looney, Mitchell, Olsen, Vonhof, Ervin, Schmidt, Swisher, Whitener, B. Johnson, Winn, Everist.

Watching them play, no one could believe that Blazers take their work any less seriously than a life-and-death matter or that the sportsmanship they learn will not serve them well from now on.

This is a long Blazer stretch.

Hard-playing, active GAA girls?

SPLIT VISION

One of the qualities of a good athlete is split vision, the seeming ability to see in several directions at once.

The same quality applies to today's forest industry. A company must carefully watch its current operations, using its forest resources wisely, efficiently manufacturing and selling products at a profit.

It must also keep an eye on the future by devoting part of a company's total effort and resources to laying a foundation for the future.

At Simpson we do this through constant research on new methods of forest management and development of new products. The goal of these efforts is stable Company operations, stable payrolls and stable communities in the future.

WHAT IS RESEARCH?

Research has been defined as "studious inquiry — exhaustive investigation or experimentation having for its aim the revision of accepted conclusions —."

These definitions will explain how the full time and attention of 150 men and women at Rayonier's Olympic Research Division in Shelton is employed. Through applied research they are engaged in developing new cellulose and silvichemical products from wood — better products than those now accepted and used throughout the world.

Education, too, is research — through studious inquiry and investigation, *YOUR* opportunity to examine the world's store of accepted conclusions — *CONCLUSIONS WHICH, THROUGH APPLIED EDUCATION, YOU CAN SOMEDAY HELP REVISE!*

Ron,
this year has been one big panic and
this summer's going to be
twice as much fun. Remember
the time in the pickup the we went that to pizza the
drive in I made and think you are going with a neat girl and
I sure do a pretty good Luck!
she made a catch too. Joan

Ron,
I'm glad &
got to know you
this year, I'll probab
see you part of the time
this summer. I wish you
the best in your future years
a friend

Ron -

This sure has been a great year hasn't it? I hope the years to follow are the same. I'm glad we got together this year, I've had a lot of fun going out with you to games, dances, parties, etc, etc.

As this year closes you are going to be leaving a lot of close friends and happy memories behind, but you will acquire many new friends as you go through life. Remember, you're not losing friends but gaining many more. I know you will make a success in what ever you strive for in the future.

Next year is going to be quite lonely, especially in Band, gee I'll have no one to cheer me up in the mornings or take me home after school. I guess I'll have to start driving my own car! hm? Well I can look forward to you coming home and to those letters I'll be getting from .

OFF LIMITS (EXCEPT FOR SUZI)

Guess I'll have to give you a large supply of stationery for Christmas so you won't have any excuse! As I said before this has been a great year and I hope you have gotten as much fun and enjoyment out of it as I have. You've been great also, Ron, just great.

I'm hoping our future will all work out for the best. We both have a lot ahead of us that we are now beginning to realize as we grow up. I know that if we try we can make it.

Best of luck in the future years to the sweetest boy I know.

God Bless you, Ron.

Love as always
Suzi

P.S. Remember the night it rained and Jim's shoes shrank?
